DESERT SAGE SCRUB MIX

This mix is a blend of grasses, flowers and shrubs for revegetation of soil and slopes with plant types that belong here. There is a quick start grass to protect soil and allow slower perennials to provide their permanent cover in the years to come. Designed as a non-irrigated mix, irrigation will foster establishment and prolong the blooming period.

<u>SPECIES</u>	<u>COMMON NAME</u>	<u>BULK #'s/ACRE</u>
<i>Ambrosia dumosa</i>	Burroweed	2.00
<i>Artemisia tridentata</i>	Big sagebrush	2.00
<i>Atriplex canescens</i>	Four-wing saltbush	4.00
